PRIVACY NOTICE FOR VIVENKO WEBSITE PARTICIPANTS		

In relation to your role as a **PARTICIPANT**,

we wish to inform you that the "European Regulation 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data" (hereinafter "GDPR") provides for the protection of individuals and other subjects regarding the processing of personal data. Vivenko Srl Società Benefit, pursuant to Articles 13 and 14 of the GDPR, therefore provides you with the following information:

	A. DATA CATEGORIES: the subject of processing may include your personal data such as identification data, personal details, contact details and address, data relating to professional training, and data contained within your resume/CV..
	B. DATA CONTROLLER: the Data Controller is Vivenko Srl Società Benefit, Via Edmondo De Amicis, 42, 20123, Milan, VAT No. 12588870969, who can be contacted at the email address privacy@vivenko.net
	C. SOURCE OF PERSONAL DATA: the personal data held by the Controller is collected directly from the data subject and, only occasionally, may originate from public registers.
	D. PURPOSES OF DATA PROCESSING AND LEGAL BASIS: personal data is processed by the Controller according to the following purposes: • <u>Purposes related to the existence of a legitimate interest of the Controller:</u> 1. Website registration and creation of access credentials: the collected data will be used to allow users to register on our website and create their access credentials, enabling access to restricted areas and personalized services offered by the website. 2. Website registration and creation of access credentials: the collected data will be used to allow users to register on our website and create their access credentials, enabling access to restricted areas and personalized services offered by the website. 3. Event-related communications: data will be used to send users communications related to the event they registered for, such as registration confirmations, updates, important notices, reminders, and other relevant information to ensure optimal participation in the event. 4. Communication and engagement activities regarding medical-scientific projects: activities including, among others: contact and correspondence, organization of events and/or meetings and/or other activities (in-person and/or virtual), and planning of potential collaborations. 5. Company business organization and management: processing of provided data to meet internal data organization, communication, and relationship management needs. • <u>Purposes based on consent:</u> 1. Communication of events: sending by Vivenko Srl SB of informational material, communications regarding future events, and other scientific information—including via newsletter or other digital tools—or for customer satisfaction research (surveys), by the Controller. • <u>Purposes connected to legal obligations:</u> compliance with administrative, insurance, anti-mafia obligations, or obligations required by law, regulations, and EU legislation.
	E. DATA RECIPIENTS: within limits relevant to the purposes, your data may be communicated, if appropriate, to other entities connected to processing activities inside and outside the Controller's organization, such as employees and equivalent personnel, public and private bodies, credit institutions, external companies used by the organization, group companies (Vivenko Srl), collaborators, freelancers, insurance companies, insurance brokers, law firms, technical partners, logistics services, and transport companies. Your data will not be disseminated in any way.
	F. DATA TRANSFERS TO THIRD COUNTRIES: the collected data is not subject to transfer to third countries outside the European Economic Area.
	G. RETENTION PERIOD: the collected data will be retained for a period no longer than necessary to achieve the purposes for which it is processed ("storage limitation principle", Art. 5 GDPR)

	or based on deadlines established by law. Checks on the obsolescence of retained data relative to the purposes for which it was collected are carried out periodically.
	H. RIGHTS OF THE DATA SUBJECT: the data subject always has the right to request from the Controller access to their data, rectification or erasure thereof, restriction of processing, or the possibility to object to processing, request data portability, and revoke consent to processing by asserting these and other rights provided by the GDPR via a simple communication to the Controller. The data subject may also lodge a complaint with a supervisory authority.
	I. MANDATORY OR OPTIONAL NATURE OF DATA PROVISION: the provision of your data is strictly necessary for the execution of the aforementioned activities by the organization for the establishment/performance and proper management of the relationship, and is also mandatory for compliance with legal obligations. Therefore, failure to provide data makes it impossible for the organization to carry out the aforementioned activities.
	J. DATA PROCESSING METHODS: personal data provided by you will be subject to processing operations in compliance with the aforementioned regulations and the confidentiality obligations that guide the Controller's activities. Data will be processed using both IT tools, paper media, and any other suitable medium (e.g., cloud systems, replacement digital archiving and preservation systems), in compliance with appropriate technical and organizational security measures required by the GDPR.
	L. AUTOMATED DECISION-MAKING: no automated decision-making processes are involved.
